**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Sonic has been a great company. Citizens need options in their internet choices. By taking away access to critical unbundled network elements, you are killing consumer choice. You are also impeding the ability for a business to operate. As far as I remember the FCC is supposed to encourage competition. Please to not let ATT take away access to critical unbundled network elements.
